Re URDES 284 DEPTEL 369

Following changes should be made proposed draft note:

Paragraph 1, line 4: Omit word "initial".

Paragraph 2, line 4: Delete all after "three million dollars".

Paragraph 3, line 2: After "accept" change language to "these funds for the purposes agreed upon herein, as the appropriately designated agency of your Government, the specified funds will be transferred as directed by the Commission and will be subject to instructions on their custody and disposition from a duly authorized officer or officers of the Commission in accordance with its enabling legislation or rules of procedure".

Paragraph 4, line 2: Delete "USOM/L" and substitute "duly designated representative of U.S. Government".

Dist. Desired (Offices Only)

Add following as Paragraph 5: "Your Excellency is requested to confirm that, in addition to the funds specified in this note, the Libyan Government is prepared to place all U.S. funds made available under the terms of the September 9, 1954, agreement under the control of the LARC".

Further to accomplish purpose Paragraph 8 DEPTEL 369 and avoid misunderstanding by some future Libyan Government, you might also suggest executive proclamation official Gazette stating specifically that, pursuant law, all U.S. funds from September 9 agreement are to be under control LARC.
